Grinnell PLANNING COMMITTEE Meeting
MONDAY, FEBRUARY 1, 2010 AT 5:30 P.M.
IN THE 1ST FLOOR CONFERENCE ROOM OF THE
GRINNELL COMMUNITY CENTER

MINUTES

PRESENT: Hueftle-Worley, Wright and Bly. Also present: Mayor Canfield, Duane Neff, Brent Renaud, Russ Behrens and Kay Cmelik.

PERFECTING AND APPROVAL OF AGENDA: Bly made the motion, second by Wright to approve the agenda as presented. AYES: 3-0. Motion carried.

COMMITTEE BUSINESS:

1. Discuss Grinnell Historical Warehouse.

   It was suggested that we terminate the lease. It appears that the cost of renting it far outweighs the value and use of the building.

2. Discuss Hwy 146 South Planning project.

   We are working on the amendment to the project. It appears getting the language amended will require at the very least a couple of years. It is suggested that we move forward until the change is approved. We can use the dollars to do the engineering for the project. We can begin planning within the Lang Creek Avenue right-of way. This will involve signage, landscaping, pedestrian routes of some type, west turning lane and extension of right-of-way. The City Manager will be meeting with the project engineer on February 3.

INQUIRIES: None.

The meeting declared adjourned at 5:45 p.m.

BYRON HUEFTLE-WORLEY, CHAIR
