

**GRINNELL PLANNING COMMITTEE MEETING
MONDAY, FEBRUARY 18, 2019 AT 5:30 P.M.
IN THE COUNCIL CHAMBERS ON THE 2ND FLOOR OF
THE CITY HALL**

TENTATIVE AGENDA

ROLL CALL: Bly (Chair), Burnell, Hansen.

PERFECTING AND APPROVAL OF AGENDA

COMMITTEE BUSINESS:

1. Update on Veterans Memorial Building and community listening sessions.
2. Update on efforts to rental inspection program implementation.

INQUIRIES:

ADJOURNMENT:

WE NEED YOUR HELP TO DESIGN AN IMPROVED GRINNELL
VETERANS MEMORIAL BUILDING

Mayor Dan Agnew and Veterans Memorial Building Commission Chairperson Leo Lease invite you to join one of the design charrettes and listening sessions to be held on Monday, February 25, 2019. All sessions will be held at the Grinnell Public Safety Building 1020 Spring Street (enter west door). Make plans to attend one of the one-hour sessions to be held at the following times:

7:00 a.m.

12:00 noon

5:30 p.m.

The sessions will be led by Matt Coen and David Dalquist of RDG Planning and Design. We will recap work that has been completed to date and assumptions about various aspects of the building. Project constraints, goals, and objectives as currently defined will be reviewed. The most important part of each session will be soliciting information from you about how to make this project a success. RDG will guide the group in visual listening exercise using precedent imagery which will provide them with insight about building design. There will also be opportunity for design input on many facets of the building.

In addition to attending and participating in these sessions, please invite others that have an interest in this project and are willing to engage in a discussion. We challenge you to bring at least one other person with you.

Questions? Contact Sharon Mealey at the City Offices 641-236-2600

City of Grinnell Rental Code Program Administrative Policy

The Grinnell City Council passed Ordinance Number _____ on the _____ day of _____, 20____, thereby establishing a Rental Code Program to be in effect on the _____ day of _____, 20____. The purpose of this program is to provide safe and sanitary housing conditions for the residents of Grinnell by establishing minimum standards and regular inspections for all rental units in Grinnell, IA.

The authorization to carry out this program is set out in the City of Grinnell Code of Ordinances Chapter _____ which authorizes inspections of rental properties in order to enforce the regulations within the 2015 International Property Maintenance Code.

This policy outlines the administrative guidelines to implement and organize the program. The Rental Code Program is administered by the City of Grinnell Building and Planning Department with direction from the Building and Planning Director.

DEFINITIONS

The following general definitions are used throughout this administrative policy:

1. **DWELLING UNIT:** A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking and sanitation.
2. **RENTAL PROPERTY:** Any dwelling or dwelling unit within the Corporate Limits of the City of Grinnell that is used for habitation and is not owner-occupied. Exempt: Any dwelling or dwelling unit(s) located as part of a building that is inspected by a representative of the State Fire Marshal's office.
3. **RENTAL UNIT:** One dwelling unit within a rental property. If a common area and facilities are provided in a dwelling for the use of the occupants of units therein, such common area and facilities shall constitute a part of each rental unit for the purpose of inspection and compliance with this Rental Inspection Program.
4. **RENT:** Any form of payment, including but not limited to cash, services, or other valuable considerations, provided as a condition of occupying a dwelling not owned by the occupant.
5. **OWNER (Landlord):** Any person, agent, operator, firm or corporation having legal or equitable interest in the property; or recorded in the official records of the state, county, or municipality as holding title to the property; or otherwise having control of the property, including the guardian of the estate of any such person, and the executor or administrator of the estate of such person if ordered to take possession of real property by a court.
6. **OWNER'S REPRESENTATIVE:** An individual or designated agent whom may be an employee of an owner that has the right to provide access to an Inspector to the owner's rental property. The representative must have keys for all portions of the rental property, must be authorized to act on behalf of the owner concerning compliance with the requirements of the Rental Inspection Program, and must be at least 18 years of age.
7. **INSPECTOR:** The person(s) designated by the City of Grinnell Building and Planning Director to conduct the inspections of rental properties and units for this program. The City of Grinnell may contract with an outside entity to conduct these inspection services if it so chooses.

8. MAJOR VIOLATION: A violation of the rental code that if left as is would constitute an immediate threat to the life and/or safety of those living in the home (Examples could include: lack of or damaged water heater, boiler, or furnace flue; smoke detectors which are missing, inoperable, or are improperly placed; storage of flammable liquids in a dwelling; electrical cords, wiring, or equipment that has begun to fail due to being overloaded or damaged).
9. TENANT: A person, corporation, partnership or group, whether or not the legal *owner* of record, occupying a building or portion thereof as a unit.
10. NO SHOW: When the owner of the structure or any other responsible adult designated by the owner does not attend the scheduled inspection.
11. INDOOR FURNITURE: Any furniture that was manufactured to be indoors, was not sold commercially as outdoor furniture, and does not meet the general accepted term of outdoor furniture, which comprises of furniture that is wholly aluminum, plastic/polymer/resin, steel, wicker/rattan, wood, or wrought iron.

Registration of Rental Properties

All rental properties in the City of Grinnell shall be registered on an annual basis as outlined in the City of Grinnell's Code of Ordinances Chapter _____. Annual registration shall be required so as to be able to provide and ensure that the City has the most current contact and ownership information. At registration, the owner or owner's representative shall be required to attest that the rental unit(s) meets building regulations identified in the 2015 International Property Maintenance Code and the amendments provided in the adopted Ordinance _____. Additionally, by filing a registration form with the City, the owner is granting consent to an inspection of the rental property by the City for the purpose of determining compliance with this Rental Inspection Program. Registration forms (Attached to this policy as Appendix B: Rental Registration Form) shall be provided and records maintained by the City of Grinnell Building and Planning Department. A one-time registration fee of \$10.00 must be paid for each rental unit. For one year after the adoption of the Rental Inspection Program, the registration fee shall be waived.

A renewal registration period shall open up each year between April 1st and May 1st. During this period, each property owner shall be responsible for submitting a renewal rental registration. The renewal registration form can be found in Appendix B. Properties not registered by May 2nd shall be considered non-complaint with this Rental Inspection Program, shall be subject to late-fees, and may be subject to penalties described in the Violations section below. Registration of new and/or converted property or properties which changes ownership shall be completed within thirty (30) days of such activity.

Failure to pay the rental registration fee by July 1st shall result in a late-fee of \$25 per day up to a maximum of **\$1,500.00** per rental property. The City of Grinnell shall send a past due notice and reminder to the property owner by June 1st by certified mail for any rental units or property(s) that are not yet paid by that date providing notice that they are past due and payment must be received by July 1st or they will be considered non-complaint to this rental inspection program. A non-compliant property may have its Certificate of Occupancy revoked, have its occupancy discontinued pursuant to City of Grinnell's Code of Ordinances Chapter _____, discontinuance for violations, and/or the owner may be prosecuted for municipal infractions, as described in City of Grinnell's Code of Ordinances Chapter _____ and in the Violations section below. A receipt of registration will be provided to the property owner or owner's representative at the time of registration.

In addition, the City of Grinnell Administrative staff or a designated agent will monitor utility billing

signups for rental units or properties and compare their known rental units and/or properties with those registered rental properties to ensure that accurate records are maintained in both areas. The owners of rental units and/or properties that are determined to be unregistered shall be contacted by certified letter, which will provide them with a registration form. Property owners will have thirty (30) calendar days to register their rental property. Failure to do so shall be considered non-complaint with this Rental Inspection Program and may be subject to penalties described in the Violations section below.

Transfer of Ownership

Rental property that is transferred from one owner to a different owner will require the new owner to register the register the rental units or property(s) under the new owner's name at the time of transfer. No refunds shall be given to property owners for a partial year's registration. The failure of a new owner to register the property in their name/business at the time of transfer may result in a violation. The new owner will be required to pay a new registration fee for each unit.

Rental Units Out of Service

Should an owner desire to take his/her rental unit or property out of service for a minimum of sixty (60) days they may file with the City a written notice of the rental unit or property being taken out of service. While the unit is taken out of service they shall not rent or allow anyone to live within the rental unit or property until such time as the unit is re-registered with the City of Grinnell.

Once the rental unit or property is re-registered with the City the owner shall pay a new rental registration fee and the property shall be re-inspected with respective inspection fees paid.

Inspection Schedule

The baseline schedule for the inspection of all rental properties shall be dependent on the number of violations found during the inspection.

- For properties that are found with less than 6 violations, they shall be re-inspected once every three (3) years. This shall be known as the standard inspection cycle.
- For properties that are found with 6-10 violations, they shall be re-inspected once every two (2) years.
- For properties that are found with more than 10 violations, they shall be re-inspected one (1) year from the date of the original inspection.

As properties mitigate violations and are found with less or no violations upon the next re-inspection, they will then move to the standard inspection cycle.

Inspection fees are due for each inspection, and are outlined in the Inspection Fees section below.

Beginning in Fiscal Year _____, newly registered rental properties shall be inspected within six (6) months of the property being registered with the City. Subsequent inspections shall be in accordance with the standard scheduling process outlined previously.

As this Rental Inspection Program begins implementation, it will take significant time to work through the initial inspection of all rental properties in Grinnell. Likely, it will take substantially more time than the six (6) months after registration stated above. In order to provide a systematic method, staff shall create a consistent approach to select properties for inspection. As staff

workloads fluctuate and as scheduling practicalities are better understood, the approach to selecting properties may be revised. A proposed initial approach is as follows:

1. Any type of residential unit in the downtown (C-2) zoning district
2. Those properties of which are part of a multi-unit complex
3. Those properties of which are in single and two-family homes/units.

Building and Planning Department Staff and/or other designated agents will be responsible for notifying property owners of the timeframe in which they have to schedule an inspection. Staff shall send written (or electronic, if selected by the owner/owner's representative) notice that it is time to schedule an inspection for their rental properties. The owner/owner's representative will be given thirty (30) days from the time the notice is sent to schedule the inspection. It is the owner/owner's representatives responsibility to contact the Inspector to schedule the inspection(s). Failure to schedule the inspection within thirty (30) days shall be considered a violation of this program.

Owners (or their representatives) may elect to schedule an inspection at any time before the City- determined time for inspection. Upon passing this elective inspection, the property will then be placed on the appropriate inspection schedule based upon if any violations were found. The inspector will not perform an inspection if the tenant has not been notified of the inspection by the owner or owner's representative, if the owner or owner's representative does not show up for the inspection, or if the owner's representative is not at least eighteen (18) years of age.

Properties will not be inspected as a part of a contingency for a real estate sales transaction except in the case of a sale of a structure or dwelling that results in a change in occupancy or use, of which an inspection must be completed before the sale is signed by both parties or a fine of \$25 per day will be placed upon the property, up to a maximum fine of \$500.00

The City shall not be responsible for late or misdirected notifications, either by US Mail or by email.

The "Inspection Notice" shall consist of the following items:

A Letter stating the following minimum items:

- Date by which the inspection must be scheduled;
- Address of property to be inspected including number of unit(s) to be inspected; and
- Contact information for the Rental Inspector.
- Copy of the Rental Inspection Checklist (Appendix A) and the Rental Inspection Form (Appendix C).

Follow up inspections, as required, shall be scheduled at the time of the initial inspection by the inspector. The inspector shall document all inspections and provide records to the Building and Planning Department. No-Shows for follow up inspections shall be penalized by the fees set out in the resolution adopted by City Council

Inspection Fees

An inspection fee will be due at the time the inspection is conducted and shall be paid by the property owner. If the inspection is conducted by a contracted entity, the owner/owner's representative shall pay the inspector directly for the inspection at the time of inspection.

Inspection fees shall be \$50.00 for the first unit, plus \$15.00 for each additional unit at the rental property.

Inspections

The inspector shall conduct the inspection in-person and shall visually inspect all exterior and interior spaces of the rental property. The inspector shall inspect all sides of the exterior structure and the grounds of the property. The inspector shall inspect every room in the rental property. The inspection shall be focused on building regulations identified in the in the City of Grinnell's Code of Ordinances Chapter _____ and Appendix A: Rental Inspection Checklist. A rental property is considered to have "passed" the inspection once the inspector completes an inspection and signs the Rental Inspection Checklist. A rental property with violations can receive a temporary Rental Property Certificate, and have a set amount of time to complete the repair or abatement of any violations, but the property will still be subject to the inspection schedule based upon the total number of violations found at the original inspection. Upon the next inspection set by the inspection schedule, if less or no violations are found, that property can then move to the longer inspection period.

During the Inspection, any and all animals must be confined. If an animal is not confined or causes the inspector to not complete the inspection, the inspection will be halted and a re-inspection fee will be required to be paid by the tenant.

Major Violations Which Require a Mandatory Forty-Eight (48) Hour Re-inspection

1. Smoke detectors and carbon monoxide detectors (if applicable) that are missing, inoperable, or are improperly placed.
2. Storage of flammable liquids in a dwelling.
3. Fuel fired equipment with missing or inoperable flues.
4. Electrical cords or wiring that show signs of failure.
5. Inoperable heating system during winter months, generally considered between November and March.
6. Other life safety issues or items as determined by the designated inspector.

If the above items are not corrected prior to re-inspection, the property shall be considered non-compliant with this Rental Inspection Program and may be subject to penalties described in the Violations section below. In accordance with City of Grinnell Code of Ordinances Chapter _____, immediate vacation of the property may be required.

Violations Which Require a Sixty (60) Day Re-Inspection

All other violations shall be corrected within sixty (60) calendar days. If the violations are not corrected prior to re-inspection, the property shall be considered non-compliant with this Rental Inspection Program and may be subject to penalties described in the Violations section below. This may include the revocation of the Certificate of Occupancy and the immediate vacation of the rental property and/or rental units.

No Shows

The inspector shall meet the owner or the owner's representative at the agreed upon date, time, and location. The property owner shall be assessed a \$50 "No Show" fee for each time the owner or owner's representative fails to be at a scheduled inspection.

Consideration will be given to property owners who contact the Inspector minimum of two (2) business days **prior to the date of the inspection** to reschedule a rental inspection due to an inability to get a contractor onsite to correct the violations. **This shall not apply to violations which require a forty-eight (48) hour follow up inspection.** If a rental inspection is rescheduled more than once, a \$50.00 "No Show" fee will be assessed to the property owner for each rescheduling.

The inspector will not perform an inspection if the tenant has not been notified of the inspection, if the owner or owner's representative does not show up for the inspection, or if the owner's representative is not at least 18 years of age. In each of these cases, a \$50 "No Show" fee will be assessed to the property owner.

If a tenant refuses entry for an inspection and permission to enter has been granted by the owner or owner's representative for the inspection to occur and they are present during the set time for the inspection, the tenant will be fined \$100.00 by means of a municipal infraction, and it shall be up to the owner or owner's representative to reschedule a time for the inspection within the next one (1) week. Upon the circumstances, the property and its tenants may have their information given to City of Grinnell Police, for them to provide additional information if necessary.

Because inspections may be carried out by emergency personnel, if an inspector must leave the inspection and is not able to complete the inspection at the scheduled time, the inspection fees will be waived for that inspection and the re-inspection to complete the initial inspection.

Tenant Complaints

Complaints shall be made in writing using the Rental Complaint Form (Appendix D) and delivered to the Building and Planning Department. Inspections based on a complaint will not be conducted if the Rental Property Complaint Form is not completed.

At the time the complaint is made, city staff will ask the tenant for any other type of documentation they may have – for example any pictures or letters (texts) they may have sent to the property owner. The tenant shall be required to certify that they have registered a complaint with the owner or owner's representative at least fourteen (14) days prior to filing the complaint with the city, unless the complaint is regarding a major violation. The tenant will be advised that the landlord will be notified regarding the complaint and a determination will be made on the validity and severity of the complaint and if an inspection is warranted. City staff will contact the owner or owner's representative by phone within two (2) business days if a complaint falls under the purview of this Rental Inspection Program.

If a complaint is within the purview of this program, the rental inspector will conduct an inspection within ten (10) business days of the complaint. If violations exist at the time of the inspection, the inspector will document utilizing the same procedures as if a non-complaint inspection was performed. The tenant will be contacted regarding the outcome of the inspection. The inspection form shall be made available to the tenant upon request.

Complaints regarding major violations, which would require a mandatory forty-eight (48) hour re-inspection during a normal rental inspection, will require that a re-inspection be scheduled within forty-eight (48) hours of completion of the inspection, excluding weekends or holidays.

If the complaint is regarding an item not covered by the Rental Inspection Program, the tenant shall be informed of such and no further action shall be taken. Any civil issue will not be addressed by City staff.

The City of Grinnell Building and Planning Department shall maintain the record of each complaint and the outcome of the complaint as a part of the rental program.

Any complaint that requires an onsite inspection shall have an associated \$50 re-inspection fee assessed. If the complaint is found to have merit and violations are found in the rental property, the property owner will be responsible for paying the fee. If the complainant submits a complaint and it is found to have no merit and violations are not found in the rental property, the tenant filing the complaint may be responsible for paying a \$100.00 inspection fee, which may double if separate frivolous complaints are made.

Appeals

The City Manager serves as the appeals body for disputes regarding notices of violations issued during a rental inspection. As such, the City Manager shall not take part in inspections.

An owner or owner's representative of a property who wishes to make an appeal regarding a notice of violation of their rental property or unit(s) shall complete an appeal form provided by the City of Grinnell (Appendix E). This appeal must be filed with the Building and Planning Department within sixty (60) days of the initial inspection. The City Manager shall then schedule a hearing within thirty (30) days of receiving the appeal. City staff shall compile information related to the inspection and identified violation. At the City Manager hearing, City staff shall present evidence of the violation and the rental property owner will be provided an opportunity to state his/her perspective on the need to reconsider the inspector's decision. The City Manager shall provide a ruling within ten (10) days after the hearing. If the owner is not satisfied with the ruling, the owner may file a request with the City Manager's office for a public hearing with either the Building Code Board of Appeals, or the Public Safety Board. This request must be filed within ten (10) days following the City Manager's ruling.

Violations

Rental properties and/or rental units that fail to comply with the rental inspection program shall be referred to the City Building Official and Attorney for prosecution as a municipal infraction. Failure to comply with this program, including but not limited to failure to register a property, may result in the revocation of a Certificate of Occupancy and/or a requirement to vacate the property.

The penalties for a municipal infraction are:

\$100.00 for 1st offense

\$250.00 for 2nd offense

\$500.00 for 3rd and each additional offence.

Annual Training Program

As a part of the annual rental registration process, the Building and Planning Department shall provide for a minimum of two (2) separate Rental Inspection training sessions. These training sessions will provide property owners with information about the program including, but not limited to, common violations, changes in the rental code, and allow for feedback from the landlords.

These annual training programs shall be offered on different dates with at least one session during the evening hours (defined as 5:00 PM or later).

Annual Report

The City of Grinnell Building and Planning Department shall provide an annual report to the Grinnell City Council. The report shall provide data on the number of housing units in the City and the frequency and type of violations that have been found in the previous year. The report shall be prepared in July of each calendar year showing the reporting period beginning July 1 of the previous year and running through June 30 of the current year.

Rental Inspection Program Administrative Policy Appendix A:

City of Grinnell Rental Inspection Checklist Guidelines

All rental properties within the City of Grinnell must be registered by May 1st, and must be regularly inspected according to the schedule in the Administrative Policy. The checklist below is a simplified summary of items that will be inspected during the inspection process. This document should be understood as general guidance to the Rental Inspection Program and should not be construed as legally binding code. More information and references to the Rental Inspection Code can be found in Appendix C: Inspection Form.

ADMINISTRATIVE COMPLIANCE

1. Property and units registered with the City of Grinnell.
2. Ownership and contact information clearly defined on the registration form.
3. Registration fees paid.

Note: The specific code excerpt number has been placed next to each requirement from the Rental Property Code.

Exterior Areas / Structure

1. House Numbers no less than 4 inches in height and ½ inch wide and individual units of a property numbered. 304.3
2. No peeling paint on exterior. 304.6
3. Structural members and foundation walls maintained in good condition. 304.4 and 304.5.
4. Sound and water tight roof. 304.7.
5. Decks, stairways, porches, balconies, and handrails maintained and structurally sound. 304.10
6. Chimneys maintained and structurally sound. 304.11
7. Insect Screens provided from April – October. 304.14
8. Doors and all components maintained in good working condition. 304.15
9. Guards on basement windows to prevent rodents from entering. 304.17
10. Building security devices all in working order (windows, doors, hatchways). 304.18
11. Proper grading and drainage at site. 302.2
12. Sidewalks and Driveways kept in proper state of repair and follow Grinnell Code regulations.
13. Property shall be free from weeds/grass in excess of 8 inches, noxious plants, and volunteer trees. 302.4
14. Property kept free from junk as defined in Grinnell Code regulations, and Rubbish and Garbage in section 308.
15. Property kept free from junk vehicles as defined in Grinnell Code Regulations.
16. Structures and exterior property shall be kept free from rodent harborage and infestation. 302.5
17. Property does not have unsafe storage of combustible material.
18. No person shall willfully or wantonly damage, mutilate, or deface any exterior surface of any structure or building on any private or public property by placing thereon any marking, carving, or graffiti. 302.9

19. Sufficient off-street parking must be provided depending on the Zoning District of each property. Two parking spaces per dwelling unit plus one additional parking stall for each bedroom in excess of two bedrooms.
20. Exterior property areas do not contain indoor furniture.

Interior Area / Structure

1. Interior of a structure and equipment shall be maintained in good repair. 305.1
2. The structure shall be structurally sound. 305.1
3. The interior shall be in a sanitary condition. 305.1
4. Occupants shall keep the part of a structure they occupy in a clean and sanitary condition. 305.1
5. The owner of any dwelling unit shall maintain in a clean and sanitary condition, the shared or public areas and the exterior structure. 305.1
6. Interior surfaces, including but not limited to windows, doors, walls, ceilings, and floors shall be maintained in good, clean, and sanitary condition. 305.3
7. All stairs, handrails, and guards shall be maintained in good, sound condition. 305.5
8. All interior doors shall operate as it was intended and all hardware shall be in good working condition. 305.6
9. Occupant loads meet the requirements adopted by Ordinance_____

Plumbing

1. The owner shall provide and maintain all plumbing facilities and fixtures. 501.2
2. Every dwelling unit shall contain its own bathtub or shower, lavatory, water closet, and kitchen sink. 502.1
3. Plumbing facilities shall be maintained in a sanitary & safe working condition. 502.1
4. The lavatory (sink) shall be placed in the same room as the water closet (toilet), or located in close proximity to the door leading into the room where the water closet is located. 502.1
5. One water closet, lavatory, and bathtub or shower is required for every 4 rooming units. 502.2
6. Toilet rooms and bathrooms shall provide privacy and shall include an interior locking device when located in a dwelling with more than one unit. 503.1
7. Plumbing fixtures shall be properly installed and maintained in working order, free of leaks and defects.
8. Plumbing fixture shall have adequate clearances for usage. 504.2
9. Every sink, lavatory, bathtub or shower, drinking fountain, water closet, or other plumbing fixture shall be properly connected to either a public water system or an approved private water system. 505.1
10. Kitchen sinks, lavatories, laundry facilities, bathtubs, and showers shall be supplied with hot or tempered and cold running water installed and in accordance with the Uniform Plumbing Code.
11. Plumbing fixture shall be properly connected to a public sewer system or approved private sewer system, and shall be free from leaks or defects. 506.1
12. Drainage of roofs and paved areas, yards and courts, and other open areas on the premises shall not be discharged into the sanitary sewer system, and shall be discharged in a manner that may cause a nuisance. 507.1

Electrical

1. Every occupied building shall be provided with an electrical system. 604.1
2. Dwelling Units shall be served by a three-wire 120/240 volt, single-phase service with a minimum rating of 60 amperes. 604.2
3. No electrical hazards shall exist in the dwelling or dwelling unit. 605.1
4. All electrical equipment shall be in good working condition, and any equipment exposed to water shall be replaced. 604.3.1.1
5. Every habitable space shall contain not less than 2 separate receptacles. 605.2
6. Laundry rooms shall contain a grounding-type receptacle or a receptacle with a ground fault circuit interrupter. 605.2
7. Every public hall, stairway, toilet room, kitchen, bathroom, laundry room, and boiler/furnace room shall contain at least one luminaire. 605.3
8. Flexible extension cords shall not be used for permanent wiring.
9. GFCI outlets shall be installed for all outlets within 6 feet of a water source.

Mechanical

1. Heating facilities are required, and must be maintain in good working condition. 602.1
2. Dwellings shall be provided with heating facilities capable of maintaining a room temp of 68 degrees Fahrenheit in all habitable rooms, bathrooms, and toilet rooms. Cooking appliances and portable unvented fuel-burning space heaters shall not be used to provide required heating. 602.2
3. Tenants must be allowed to control heating facilities.
4. Mechanical appliances, fireplaces, solid fuel-burning appliances, cooking appliances, and water heating appliances shall be properly installed and maintained in a safe working condition and must perform its intended function. 603.1

Fire Safety

1. A dual sensor (Photoelectric and Ionization) smoke alarm is required on each floor, within each sleeping room, and immediately outside of all sleeping areas.
2. A safe, continuous, and unobstructed path of travel shall be provided from any point in a building or structure to the public way. 702.1
3. The required width of aisles with the International Fire Code shall be unobstructed. 702.2
4. Means of egress doors shall be readily openable from the side from which egress is to be made without the need for keys, special knowledge, or effort. 702.3
5. In new construction and renovation, proper fire-resistance ratings shall be maintained where required. 703.1
6. Each floor of a dwelling unit has an appropriately sized ABC-rated fire extinguisher, properly inspected and tagged within 75 feet from the unit's main entrance.
7. A carbon monoxide alarm detector shall be installed immediately outside each sleeping room where carbon monoxide producing sources are provided, or the dwelling or unit has an attached garage.
8. Fire alarm and suppression systems are properly installed, operational, and tested where required.
9. Two egress routes must exist for each floor above the first floor.

Rental Unit Registration Form

This form is required to be completed annually and completely filled out.

One form required for each property.

To avoid penalty, registrations are due by May 1, annually.

6 <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	In new construction and renovation, proper fire-resistance ratings shall be maintained where required. 703.1

INSPECTION RESULTS

Number of Violations: _____

Number of Major Violations: _____

I, as the authorized representative or owner of this property, understand the inspection deficiencies that have been identified during this inspection and what I need to do to correct the deficiencies prior to the scheduled re-inspection. Should I not be able to complete the repairs needed by the re-inspection date I understand and agree that I will be subject to a Municipal Infraction for each day thereafter in which the deficiencies are not repaired. In addition, I agree that I will be responsible for any re-inspection fees as identified in the Rental Housing Inspection Program Administrative Plan. I understand that if I need to re-schedule the inspection, I must provide a request at least two business days prior to the date of the re-inspection listed below. Should I fail to show up (on time or at all) for a scheduled re-inspection I understand and agree that I will be subject to the payment of a No-show Fee in the amount of \$50 per event. Failure to pay any fees or penalties may result in legal action being taken by the City of Grinnell.

Date of Re-inspection _____ Interested Party Signature _____

- For properties that are found with less than 6 violations, they shall be re-inspected once every three (3) years. This shall be known as the standard inspection cycle.
- For properties that are found with 6-10 violations, they shall be re-inspected once every two (2) years.
- For properties that are found with more than 10 violations, they shall be re-inspected one (1) year from the date of the inspection.

Major Violations (highlighted in RED) must have progress being made to remedy the violation within 48 hours. Violations (highlighted in YELLOW) must have progress being made to remedy the violation within 60 days.

Results: V: Violation. Ok: No Violation. C: Issue present but not a violation at this time.
