

Grinnell Historic Preservation Commission
October 14, 2021
7 p.m.
Periodic Table patio

Chair Neubert opened the meeting at 7:14 pm. Commissioners present were Paulson, Schuchmann and Neubert. Commissioners absent: Grabinski and Whittaker.

The minutes of the September 16 , 2021 Zoom meeting will be approved at our November 18, 2021 meeting.

Preserve Iowa Summit in June 2021 (held virtually) was discussed. Schuchmann and Neubert have written reports which could be presented to the City Council at some future meeting. There were important take-aways that the three commissioners in attendance could provide.

Façade Grant projects and anticipated progress downtown was discussed. Either the Masonic Temple or the Frontier Café location will be starting renovation construction in the very near future. Neubert brought copies of the plans for both projects to the meeting.

The Communications Tower being considered for 300 Third Avenue (SE of hospital) needs approval of Planning & Zoning, then Board of Adjustment. Even though HPC has been contacted, we don't believe we have any historic sites in that neighborhood to "protect".

There being no further business to conduct, the meeting was adjourned at 8:10 p.m.
