Meet Sign Up

The Team Snap website (go.teamsnap.com) will be used by swim families to indicate if their swimmer will or will not be swimming at each meet. The coaches will use the indication reports from this site to make the meet line ups. Once logged in, place a “check mark” under each meet you will attend, an “X” if you will not attend or a “?” if you are unsure, by clicking on the box under each meet.

You will receive an email invitation to all meets during the first week of the season. You may choose to make your meet indications at that time. Meet indications can be made by clicking yes, no, or maybe in the email rather than by logging into Team Snap.

You will receive a follow up email each Wednesday prior to the following Tuesday meet, to make your final indication for the upcoming meet.

Meet indications are due the **Wednesday** prior to the Tuesday meet. Meet indications for Conference will also be due by Wednesday the 6th of July. **PLEASE** be diligent in making indications including a “no” response if your swimmer will not attend, in order for the coaches to make the line ups accurately, and send the line ups to the host teams in a timely manner. Next to the indication box there is a Pencil icon, you may click on the pencil and make a comment, for example “My swimmer has another commitment and will only be able to swim in the first hour of the meet.”
