  - Joe Lacina is prepared to add an “Artist” page to the website. This will focus on the substance of what an artist will experience at Prairie Star. It will encourage artists and organizations to sign up for a digital newsletter to be kept up to date. To add credibility to the page, Tom Lacina requested Joe appear as “Interim Residency Development Director” or “Residency Development Director.” He will do the work on a volunteer

basis given that he's getting paid for his website work. The commission discussed this request. The request will be added to the October agenda for action.

- Tom is working on a special event in 2021 to feature a showing at the Arts Center of Kurt Vonnegut works from the National Veterans Art Museum, an installation about Iowa military history from the Iowa Gold Star Military Museum, and an installation about local veteran history from the Grinnell Historical Museum. There will also be a display about the Veterans Memorial Building and the Prairie Star Residency. Tom would like to figure out how to parley this into funding. Sponsors are a consideration but he is also thinking about an auction of 20 or less select veteran-created works, with two thirds going to the artist and one third going to the project. This would probably occur next September/October/November and culminate the week of Veterans Day.
- Tom also requested Nicole Behrens put the new fundraising number on the website each month, right after she receives updated information about levy funds.

12. **Adjournment:** MOTION by Rieck, second by Lease, all ayes, motion carried.

Circumstances which may require the Library to release the information include the following:

1. A criminal or juvenile justice agency is seeking the information pursuant to an investigation of a particular person or organization suspected of committing a known crime AND the criminal or juvenile justice agency presents the Library Director with a court order demonstrating that there has been a judicial determination that a rational connection exists between the requested release of information and a legitimate end and that the need for the information is cogent and compelling.

A request for user records that does not reveal information about use of library materials or information may be honored if the request comes from a public agency or (at the staff's discretion) from any other library. Such information would be limited to a user's contact information and would not include the user's registration number assigned by Drake Community Library.
- E. Requests for information about individuals originating from private individuals or entities will be answered only with information from published sources.
- F. The Library interprets possession of a user card as consent to use it unless it has been reported lost or stolen, or there is reason to believe that consent has not been given.
- G. Library users thirteen (13) years of age and older may extend confidentiality privileges to other persons designated by said user. Names of persons so designated must be listed within the primary user's account. A person possessing confidentiality privileges may:

## DRAKE COMMUNITY LIBRARY

### MEETING ROOM POLICY – TEMPORARY

**This is a temporary policy necessitated by Covid-19 pandemic conditions. This policy remains in effect until revoked by the Library Board of Trustees.**

The purpose of this policy is to create an environment that balances the community’s need for quality essential services while maintaining a safe working environment for library personnel as we work together to prevent the spread of Covid-19.

1. Reservations for use of meeting space will be allowed for groups with an essential need to meet in person such as trainings and business that can only be accomplished through in-person communication.
2. Approval for each reservation will be considered after the meeting organizer communicates agreement with social distancing practices outlined in this policy via email with library personnel. The Library Director may make a determination if a question arises as to what constitutes an “essential need” for an in-person meeting.
3. Due to limited hours of operation and limited physical access to the facility under pandemic conditions, meeting reservation times and spaces are also limited.

Social distancing practices:

- a) Masks must be worn at all times.  
Exception: attendees with medical condition or as necessary due to other compelling reasons.
- b) Spacing of seating maintained to accommodate six (6) feet of social distance
- c) Handwashing facility and/or hand sanitizer used upon entry into building and as needed.
- d) No food or drink to be served; only personal drink containers allowed.

Meeting rooms available include:

<b>Community Room</b>	<ul style="list-style-type: none"><li>• <b>Use of Community Room is limited to essential meetings</b></li><li>• <b>No more than one meeting will be scheduled per day to allow time for cleaning of room between meetings</b></li><li>• Capacity 20 people</li><li>• Tables and chairs will be placed in a standard configuration to promote social distancing of at least 6 feet between attendees</li><li>• LCD projector and speaker system with hearing loop are available to users</li><li>• A kitchenette is accessible to users for handwashing only</li><li>• Restrooms are accessible in the lobby</li></ul>
