

# Grinnell Police Department

## House Watch / Increased Patrol request form

The vacation House watch is an example of our commitment to protecting and serving the citizens of Grinnell, and assuring a safe community.

**HOUSE WATCH** – This consists of an officer checking the residence and surrounding area for suspicious activity at random times, as time and call load permits. A house watch must be requested by a resident of the location. If the resident returns early, please contact the police department and advise them. If there is someone staying at the residence while the homeowner is away, it will be handled as an increased patrol

**INCREASED PATROL** – This service can be requested by an occupant of a location and consist of a drive-by inspection at random times, as time and call load permits. The request must be in relation to a reported crime or suspicious activity.
