DONATIONS FOR YOUTH

Recreational programs are created to build self-esteem, to increase healthy activities, and to promote both individual and team success. Unfortunately, not all children in the community have the monetary means to participate in these extra-curricular activities. To assist these children, the Grinnell Recreation Department requests and accepts donations of swim passes, program fees or money to go toward such areas. To make your donation to the youth of Grinnell, or to seek assistance for a child in your care, please stop by our office or call 236-2620. In donating, you help the youth of Grinnell, as well as increasing community involvement and family participation. Thank you for your time and assistance in creating opportunities for others.

From time-to-time, there may be an error in days, times, fees, etc., in the brochure. If so, the staff will take every step to correct the situation in a timely and efficient manner. Thank you for your patience and understanding should these situations arise.
