

City of Grinnell Utility Account Customer Container Rental Contract

This contract is for the use of containers supplied by the City of Grinnell for limited time usage. All billing information must be obtained prior to delivery. All containers must be located in an area on site where the truck can back up to the container to hook onto. **If the container is to be located in a drive, or in an area where the truck must drive into the yard, or across a walk, the customer assumes all responsibility for damages to the aforementioned.**

Customer information:

Name of person requesting container _____

Address where container is to be placed _____

Location at address to place container _____

If container is moved from original location where it is left, it must be returned to original location before pick up.

Billing Address (if different than above) _____

Phone (Daytime) _____ (Cell) _____

Email _____

Size of container requested _____

Container sizes available: Based on Cubic Yardage

2 Yard = 6'6" width x 3'7" length x 4' height	\$80.00 each time dumped
3 Yard = 6'6" width x 6'2" length x 4' height	\$120.00 each time dumped
4 Yard = 6'6" width x 6'8" length x 4" height	\$160.00 each time dumped
6 Yard = 6'6" width x 10'2" length x 4' height	\$240.00 each time dumped

Trash exceeding container capacity shall be estimated to the nearest yard.

Containers are billed as follows:

2 yard, 3 yard, 4 yard, 6 yard containers are billed at \$40 per cubic yard, per dump. Trash exceeding container capacity shall be estimated to the nearest yard.

Your Utility Account with the City of Grinnell will be billed for container rental.

All dumpsters can only be rented at a maximum of 2 weeks from delivery date. If no call is made after the 2 week time period, the Public Service department will pick it up without notice and bill accordingly.

ANY CONTAINER THAT IS ON SITE FOR 14 DAYS AND UNABLE TO BE PICKED UP BECAUSE OF BLOCKAGE SHALL BE CHARGED A \$32.00 INACTIVITY FEE!!

The following items are **NOT ALLOWED** to be placed into containers:

*Hazardous waste materials: (paint, cleaning supplies, gas, oil, etc.)

*Brush and yard waste: (must be taken to the Brush/Compost Site.)

*Appliances: (Air conditioners, dehumidifiers, dishwashers, freezers, furnaces, microwaves, stoves, refrigerators, washers, dryers, water heaters, TV's, printers etc.), tires, propane tanks etc. **(These items can be left beside container, but will be charged accordingly).**

Any questions please call 641-236-2632.

Fax 641-236-2660

I understand, if the container is to be located in a drive, or in an area where the truck must drive into the yard, or across a walk, I (the customer) assume all responsibility for damages to the aforementioned.
